- 1. Incorporation of Recitals.** The foregoing recitals are adopted by the parties as being true and accurate statements and are hereby incorporated by reference into this Contract.

2. Duties of the Contractor.

- A. The Contractor shall provide technical assistance to the County in connection with phase(s) Phases 1, 2, 3, & 4 of the four-phase cyclical reassessment beginning on May 1, 2018, 2019, 2020, & 2021, as requested and assigned by the authorized designee of the County, under the terms and provisions of this Contract, in accordance with and in furtherance of all rules governing the assessment of real property promulgated by the Department and all other applicable laws, statutes, ordinances, or administrative rules.
- B. The group(s) of parcels of real property containing approximately 25% or more of the parcels within each class of real property in the County (as prescribed by the County's reassessment plan as approved by the Department) and which the Contractor is to review pursuant to this Contract ("group(s)") is/are limited to: Residential and/or Commercial, Industrial, Utilities(real), Exempt.
- C. For the group(s) of property listed in paragraph 2(B), the Contractor will complete all responsibilities imposed upon an assessing official under IC 6-1.1-4 and 50 IAC 2.4 regarding the assessment of real property for phase(s) Phases 1, 2, 3, & 4 of the cyclical reassessment, unless such responsibilities are specifically retained by the County as listed in paragraph 3, including but not limited to:
- (1) Perform the physical inspection, as that term is defined in the Request for Proposal issued by the County and which gave rise to this Contract, which definition is incorporated by reference herein, of all real property in the group(s) specified in paragraph 2(B), for which physical inspection shall begin on May 1, 2018, 2019, 2020 & 2021 and be completed on or before January 1, 2019, 2020, 2021 & 2022.
 - (2) Recommend to the County the True Tax Value, as that term is defined in the 2011 Real Property Assessment Manual and Guidelines, of all parcels in the group(s) using the guidelines determined by the Department.
 - (3) Compliance with IC 6-1.1-4-4.2(a)(6)(A) to physically inspect each parcel of real property in the group(s) being reassessed, may be satisfied using various approaches. The following is a list of suggestions:
 - (a) As a basic procedure, visually inventory the property with the property record card in hand, and confirm that all buildings, structures, and improvements ("improvements") are properly described on the property record card, and
 - (i) if any improvements do not appear to be properly described, take the necessary measurements to properly describe the improvements on the property record card;
 - (ii) if any improvements do not have photographs attached to the property record card, and the County believes it is appropriate to have a photograph of the improvement, take the photograph and include it with the property record card; and
 - (iii) if any buildings or structures have been added to the land that do not appear to be fully described, exterior measurements must be obtained. If the County believes an interior inspection is desirable, seek the **permission** of the owner to enter the building or structure. If no owner or representative of the property is present, leave a printed form such as a door

hanger requesting the property owner or representative contact the Contractor to make arrangements for the in-structure inspection. The printed form shall make clear that the property owner/representative may choose not to have an interior inspection.

(b) As an alternative to on-site inspections, the following procedures are suggested:

(i) ☐ [Check if the County requires the Contractor to comply with these procedures.] If the County has a construction permit process and maintains active updating of property record cards, physical inspection may include review of building permits, sales disclosure forms, multiple listing service property data, and inspection of aerial photography. A visual inspection of the property from the street is desirable, but may not be necessary in every case. In cases where the Contractor does not intend to send an employee to the property, a written explanation shall be provided to the County, to which the County shall consent in writing.

(ii) ☐ [Check if the County requires the Contractor to comply with these procedures.] If the County does not have a construction permit process and does not actively update property record cards, the Contractor's personnel shall make a visit to each property as described in paragraph 3(a).

(iii) ☐ [Check if the County requires the Contractor to comply with these procedures.] If the County records available are less than a construction permit process and active updating of property record cards but more informative than having no current records, the Contractor shall perform the duties of physical inspection by classes described as follows:
[The County shall insert the level of physical inspection required for each class of property. If completing this subsection, check preceding box.]

(aa) Agricultural: all as described in section 3a

(bb) Residential: all as described in section 3a

- (10) Use verified sales of properties occurring within the twelve months preceding the relevant valuation date in performance of the ratio studies.
 - (a) Sales occurring before or after the assessment date shall be trended, if appropriate, in accordance with the IAAO standard and the time adjusted sales price shall become the basis for all ensuing analysis.
 - (b) If available sales data are insufficient to satisfy the IAAO standard, the Contractor may use sales from earlier or more recent time periods, or both, by adjusting and time-trending the sales data as described in the IAAO standard.
 - (c) If the Contractor determines that there are insufficient commercial and/or industrial improved property sales in order to determine an annual adjustment factor and the Department and the County expressly approve the Contractor's determination in writing, the Contractor shall review one or more of the following to derive an annual adjustment factor:
 - (i) Craftsman cost and depreciation tables from the last quarter of the calendar year preceding the assessment date.

 - (14) Notify the County and the Department if any ratio study reveals a coefficient of dispersion and/or price related differential that is outside the appropriate ranges set in 50 IAC 27-11-1 and recommend appropriate actions to address any identified irregularities in accordance with the procedures set forth in 50 IAC 27.
 - (15) Conduct any required stratifications and perform ratio studies for each stratum until the Contractor determines the properties that are causing a coefficient of dispersion and/or price-related differential that is outside of the acceptable range and then make necessary refinements to the valuation for all similarly situated properties.

If the ownership interest in the Materials cannot be assigned to the County, the Contractor grant the County a non-exclusive, non-cancelable, perpetual, worldwide royalty-free license to use the Materials and to use, modify, copy and create derivative works of the Materials.
- B. Use of the Materials (other than as related to contract performance by the Contractor) without the prior written consent of the County is prohibited. During the performance of this Contract, the Contractor shall be responsible for any loss of or damage to the Materials developed for or supplied by the County or the Department and used to develop or assist in the services provided while the Materials are in the possession of the Contractor. Any loss or damage thereto shall be restored at the Contractor's expense. The Contractor shall provide the County and the Department full, immediate, and unrestricted access to the Materials and to Contractor's work product during the term of this Contract.

25. Delays.

- A. Whenever the Contractor or the County has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, it shall, within 5 days, provide

written notice of the delay to the other party by certified mail, return receipt requested, including all relevant information with respect to the actual or potential cause of the delay.

- B. In the event of a delay by the Department, legislative action, or court rulings, the County and the Contractor reserve the right to re-negotiate all terms of this Contract, including costs.

26. Disputes.

- A. Should any disputes arise with respect to this Contract, the Contractor and the County agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work without delay, any additional costs incurred by the County or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the County or the Department for such costs.
- C. If the parties are unable to resolve a contract dispute between them after good faith attempts to do so, a dissatisfied party shall submit the dispute to the Commissioner of the Department. The dissatisfied party shall give written notice to the Commissioner and the other party. The notice shall include (1) a description of the disputed issues, (2) the efforts made to resolve the dispute, and (3) a proposed resolution. The Commissioner shall promptly issue a Notice setting out documents and materials to be submitted to the Commissioner in order to resolve the dispute; the Notice may also afford the parties the opportunity to make presentations and enter into further negotiations. Within 30 business days of the conclusion of the final presentations, the Commissioner shall issue a written decision and furnish it to both parties. The Commissioner's decision shall be the final and conclusive administrative decision unless either party serves on the Commissioner and the other party, within ten business days after receipt of the Commissioner's decision, a written request for reconsideration and modification of the written decision. If the Commissioner does not modify the written decision within 30 business days, either party may take such other action helpful to resolving the dispute, including submitting the dispute to an Indiana court of competent jurisdiction. If the parties accept the Commissioner's decision, it may be memorialized as a written Amendment to this Contract if appropriate.
- D. The County may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the County to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for the Contractor to terminate this Contract and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.
- E. With the written approval of the Commissioner of the Department, the parties may agree to forego the process described in subdivision C. relating to submission of the dispute to the Commissioner.
- F. This paragraph shall not be construed to abrogate provisions of IC 4-6-2-11 in situations where dispute resolution efforts lead to a compromise of claims in favor of the State as described in that statute. In particular, releases or settlement agreements involving releases of legal claims or potential legal claims of the state should be processed consistent with IC 4-6-2-11, which requires approval of the Governor and Attorney General.

27. Termination for Convenience by County. This Contract may be terminated, in whole or in part, by the County or the Department whenever, for any reason, the County or the Department determines that such termination is in its best interest. A decision by the County to terminate this Contract shall not be attributed to the Department. Similarly, a decision by the Department to terminate this Contract shall not be attributed to the County, nor shall such a decision by the Department give rise to a cause of action against the Department. Termination of services shall be effected by delivery to the Contractor of a Termination Notice at least thirty days prior to the termination effective date specifying the extent to which performance of services under such termination becomes effective. In the Notice, the party or parties terminating this Contract must state which party or parties initiated the termination. The Contractor shall be compensated for services properly rendered prior to the effective date of termination, but under no circumstances will the Department be responsible for any payment, including damages, to the Contractor. The County will not be liable for services performed after the effective date of termination. The Contractor shall be compensated for services herein provided but in no case shall total payment made to the Contractor exceed the original contract price or shall any price increase be allowed on individual line items if canceled only in part prior to the original termination date.

28. Termination for Default by County. If the County, 60 days after receipt of written notice, fails to correct or cure any material breach of this Contract, the Contractor may cancel and terminate this Contract and institute the appropriate measures to collect monies due up to and including the date of termination.

29. Audits. The Contractor acknowledges that it may be required to submit to an audit of funds paid through this Contract. Any such audit shall be conducted in accordance with IC 5-11-1, *et. seq.*, and audit guidelines specified by the State.

30. Compliance with Laws.

- A. The Contractor shall comply with all applicable federal, state and local laws, rules, regulations, and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. The enactment or modification of any applicable state or federal statute or the promulgation of rules or regulations thereunder after execution of this Contract shall be reviewed by the County and the Contractor to determine whether the provisions of this Contract require formal modification.
- B. The Contractor certifies by entering into this Contract that neither it nor its principal(s) is/are presently in arrears in payment of taxes, permit fees or other statutory, regulatory, or judicially required payments to the State of Indiana or the County. The Contractor agrees that any payments currently due to the State of Indiana or the County may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Contract suspended until the Contractor is current in its payments and has submitted proof of such payment to the State of Indiana.
- C. The Contractor certifies, warrants, and represents that it has no current, pending, or outstanding criminal, civil or enforcement actions initiated by the State of Indiana or the County, and that neither it nor its principal(s) is/are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency, or political subdivision of the State of Indiana, or the County. The Contractor agrees that it will immediately notify the County and the Department of any such actions and during the term of such actions, the County or the Department may delay, withhold, or deny work under any supplement, amendment, change order, or other contractual device issued pursuant to this Contract.
- D. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State of Indiana or its agencies or the County, the County may delay, withhold, or deny work to the Contractor.

E. The Contractor warrants that it shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the County. Failure to do so may be deemed a material breach of this Contract and grounds for immediate termination and denial of further work with the County.

F. The Contractor affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.

G. As required by IC 5-22-3-7:

(1) The Contractor and any principals of the Contractor certify that:

(A) the Contractor, except for de minimis and nonsystematic violations, has not violated the terms of:

(i) IC 24-4.7 [Telephone Solicitation of Consumers];

(ii) IC 24-5-12 [Telephone Solicitations]; or

(iii) IC 24-5-14 [Regulation of Automatic Dialing Machines];

in the previous 365 days, even if IC 24-4.7 is preempted by federal law; and

(B) the Contractor will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

(2) The Contractor and any principals of the Contractor certify that an affiliate or principal of the Contractor and any agent acting on behalf of the Contractor or on behalf of an affiliate or principal of the Contractor, except for de minimis and nonsystematic violations,

(A) has not violated the terms of IC 24-4.7 in the previous 365 days, even if IC 24-4.7 is preempted by federal law; and

(B) will not violate the terms of IC 24-4.7 for the duration of the Contract, even if IC 24-4.7 is preempted by federal law.

H. As required by IC 22-5-1.7, the Contractor swears or affirms under the penalties of perjury that:

(1) The Contractor does not knowingly employ an unauthorized alien.

(2) The Contractor shall enroll in and verify the work eligibility status of all his/her/its newly hired employees through the E-Verify program as defined in IC 22-5-1.7-3. The Contractor is not required to participate should the E-Verify program cease to exist. Additionally, the Contractor is not required to participate if the Contractor is self-employed and does not employ any employees.

(3) The Contractor shall not knowingly employ or contract with an unauthorized alien. The Contractor shall not retain an employee or contract with a person that the Contractor subsequently learns is an unauthorized alien.

(4) The Contractor shall require his/her/its subcontractors who perform work under this Contract to certify to the Contractor that the subcontractor does not knowingly employ or contract with an unauthorized

alien and that the subcontractor has enrolled and is participating in the E-Verify program. The Contractor agrees to maintain this certification throughout the duration of the term of a contract with a subcontractor.

The Department and/or the County may terminate for default if the Contractor fails to cure a breach of this provision no later than thirty days after being notified by the Department and/or County.

31. Taxes. The County is exempt from most state and local taxes and many federal taxes. The County and the Department will not be responsible for any taxes levied on the Contractor as a result of this Contract.

32. Independent Contractor; Workers' Compensation Insurance. The Contractor is performing as an independent entity under this Contract. No part of this Contract shall be construed to represent the creation of an employment, agency, partnership, or joint venture agreement between the parties. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees, or subcontractors of the other party. The Contractor shall provide all necessary unemployment and workers' compensation insurance for the Contractor's employees, and shall provide the Department with a Certificate of Insurance evidencing such coverage prior to starting work under this Contract.

33. Contractor Assignment, Successors, and Subcontracting. The Contractor shall not subcontract the whole or any part of this Contract. The Contractor may not assign the whole or any part of this Contract, except that it may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the Contract Representative, provided that the Contractor gives written notice (including evidence of such assignment) to the Contract Representative thirty days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Contract and shall not be made to more than one party.

34. Force Majeure. In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party ("Force Majeure Event"), the party who has been so affected shall immediately or as soon as is reasonably possible under the circumstances give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds 30 days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

35. General Provisions.

A. Entire Agreement. This Contract sets forth the entire agreement and understanding of the parties with respect to the subject matter and supersedes all prior oral and written agreements and understandings between the County and the Contractor. No representation, promise, inducement, or statement of intention has been made by either party which is not set forth in this Contract and neither party shall be bound by or liable for any alleged representation, promise, inducement, or statement of intention not so set forth.

B. Waiver of Rights. No right conferred on any party under this Contract shall be deemed waived, and no breach of this Contract excused, unless such waiver is in writing and signed by the party claimed to have waived such right. Neither the County's review, approval, acceptance of, nor payment for the services required under this Contract shall be construed to operate as a waiver of any rights under this Contract or of any cause of action arising out of the performance of this Contract, and the Contractor shall be and

remain liable to the County and the Department in accordance with applicable law for all damages to the County or the Department caused by the Contractor's negligent performance of any of the services furnished under this Contract.

C. Severability. The invalidity of any section, subsection, clause or provision of this Contract shall not affect the validity of the remaining section, subsections, clauses or provisions of this Contract.

D. Addenda. No addendum to this Contract will be binding unless in writing and executed by all of the parties that are signatories to this Contract.

36. Governing Law. This Contract shall be governed, construed, and enforced in accordance with the laws of the State of Indiana, without regard to its conflict of laws rules. Suit, if any, must be brought in the State of Indiana.

38. Drug-Free Workplace Certification. As required by Executive Order No. 90-5 dated April 12, 1990, issued by the Governor of Indiana, the Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the Department within ten days after receiving actual notice that the Contractor, or an employee of the Contractor in the State of Indiana, has been convicted of a criminal drug violation occurring in the workplace. False certification or violation of this certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three years.

In addition to the provisions of the above paragraph, if the total amount set forth in this Contract is in excess of \$25,000.00, the Contractor certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
- B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction;
- D. Notifying the Department in writing within ten days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- E. Within thirty days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
- F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

39. Indemnification. The Contractor agrees to indemnify, defend, and hold harmless the County and the Department, their agents, officials, and employees from all third party claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Contractor in the performance of this Contract. The County and the Department shall not provide such indemnification to the Contractor.

40. Insurance.

- A. The Contractor must carry automobile, public liability, and worker's compensation insurance policies for the entire duration of time during which the Contractor is completing obligations under this Contract. The Contractor's public liability and worker's compensation insurance policies must provide for minimum

liability limits not less than \$1,000,000 per occurrence. The Contractor must have automobile insurance that meets or exceeds the minimum amounts required by the State of Indiana for each vehicle it will use in the fulfillment of this Contract. A material inducement for entering into this Contract is that the Contractor will carry automobile, public liability, and worker's compensation insurance policies consistent with the requirements of this section. Failure to maintain insurance policies consistent with this section may be deemed a material breach of this Contract and grounds for immediate termination by the County or the Department and denial of further work with the County. The Contractor must provide the County with copies of its insurance certificates and endorsements.

(List any additional insurance policies or coverage amounts that the County requires the Contractor to carry beyond the policies or amounts listed above.)

B. The Contractor's insurance coverage must meet the following additional requirements:

- (1) The insurer must have a certificate of authority or other appropriate authorization to operate in the state in which the policy was issued.
- (2) Any deductible or self-insured retention amount or other similar obligation under the insurance policies shall be the sole obligation of the Contractor.
- (3) The County and the Department will be defended, indemnified, and held harmless to the full extent of any coverage actually secured by the Contractor in excess of the minimum requirements set forth above. The duty to indemnify the County and the Department under this Contract shall not be limited by the insurance required in this Contract.
- (4) The insurance required in this Contract, through a policy or endorsement(s), shall include a provision that the policy and endorsements may not be modified without 30 days prior written notice to the County and the Department.

41. Nondiscrimination. Pursuant to the Indiana Civil Rights Law, specifically IC 22-9-1-10, and in keeping with the purposes of the federal Civil Rights Act of 1964, the Age Discrimination in Employment Act, and the Americans with Disabilities Act, the Contractor covenants that it shall not discriminate against any employee or applicant for employment relating to this Contract with respect to the hire, tenure, terms, conditions, or privileges of employment or any matter directly or indirectly related to employment because of the employee or applicant's: race, color, national origin, religion, sex, age, disability, ancestry, status as a veteran, or any other characteristic protected by federal, state, or local law ("Protected Characteristics"). Furthermore, the Contractor certifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination based on the Protected Characteristics in the provision of services. Breach of this paragraph may be regarded as a material breach of this Contract, but nothing in this paragraph shall be construed to imply or establish an employment relationship between the County and any applicant or employee of the Contractor.

42. Travel. No expenses for travel will be reimbursed unless specifically permitted under the scope of services or consideration provisions.

43. Copy of Contract. The County shall provide to the Department a copy of this Contract, including documentation of any performance bond, within seven days of its signing by the County and Contractor. The Contract does not take effect until it is signed by the Department.

(Provision 44 is optional.)

44. ☐ **Guaranteed Most Favorable Terms.** All of the prices, terms, conditions, and benefits granted by the Contractor in this Contract are comparable to or better than the terms granted by the Contractor to any other similarly situated state and local government customer. If the Contractor announces a price reduction or makes generally available to other customers more favorable terms or conditions, such prices, terms, or conditions shall be made available to the County and the Department on the date the price reduction or change in terms and conditions became effective.

45. **Substantial Compliance.** This Contract shall be deemed to be substantially performed only when fully performed according to its terms and conditions and any addenda.

46. **Affirmation that Contract Language Has Not Been Altered.** The parties affirm that they have not altered, modified, changed, or deleted the Department's Boilerplate contract clauses in any way, except where the contract explicitly permits the addition or modification of terms. Any alteration not explicitly permitted is void.

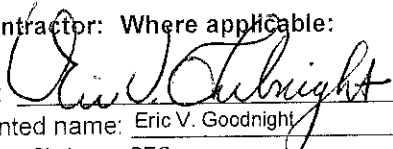

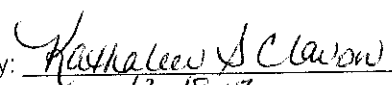

NON-COLLUSION AND ACCEPTANCE

The undersigned attests, subject to the penalties for perjury, that the undersigned is the Contractor, or that the undersigned is the properly authorized representative, agent, member or officer of the Contractor. Further, to the undersigned's knowledge, neither the undersigned nor any other member, employee, representative, agent, or officer of the Contractor, directly or indirectly, has entered into or been offered any sum of money or other consideration for the execution of this Contract other than that which appears upon the face hereof.

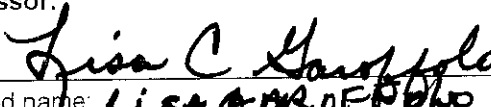

Furthermore, if the undersigned has knowledge that a state officer, employee, or special state appointee, as those terms are defined in IC 4-2-6-1, has a financial interest in the Contract, the Contractor attests to compliance with the disclosure requirements in IC 4-2-6-10.5 prior to execution of this contract.
